Growing Notes:

As a whole, the 2015 vintage yielded high quality but limited quantity fruit. Most producers viewed it as a “winemaker’s vintage”; beautiful fruit with enough variation and weather events to encourage the craft of creative wine production—an environment made for the Chardonnay varietal. An early spring, plus warm summer temperatures with consistently cool nights, provided a familiar backdrop for growing. Chardonnay harvest was brought in at a similar harvest date to previous vintages.
