**Growing Notes:**

2019 began with bud break in mid-April and a cool, rainy start to the growing season. A warm summer with gradual temperature increases created exceptional flower and fruit set. Harvest of Syrah and merlot occurred the first week of October followed by a hard freeze across the Northwest on October 10th. All remaining fruit was brought into the winery the week of October 15th, including our Cabernet Sauvignon and Malbec. The vintage year created heavy bodied wines with dark fruit flavors, rich texture and chalky tannins.

Private Reserve Red is always produced from the highest quality barrels of a vintage year. 2019 vintage hales fro nine vineyard blocks including our estate vineyard. This wine is aged 22 months on American, French and Hungarian oak of which 43% of the barrels were new.
