

2021 Cabernet Sauvignon

\$39.00

Tasting Notes:

Bright cherry aromas, a little mint, and some floral notes. Cherry flavors extend throughout, sweet edges, with a nice acid/tannin balance. The cherry/cedar finish goes on and on.

Pair with: Peppercorn topped rib eye, roasted duck and lentil salad, smoked portabello mushroom burgers, or cherry glazed baby back ribs.

Growing Notes:

An Idyllic, warm spring prompted early bud break and vine growth. But an April frost slowed development, caused some vine damage and led to decreased yields. Hot, dry weather in June and July accelerated ripening, but caused some dehydration and sunburn in the fruit. The challenging season ultimately resulted in wines of concentrated flavors, deep color and intense aromatics.
